

FANCIFUL-WHIMSICAL FISH AND BUTTERFLY, May Watson

Method - Collage, some hand work, machine, beading etc.

18 X 24 wall hanging or pillow top – The fish is made on a muslin base – using tacky glue to assemble it. It's then transferred onto a complimentary piece of fabric with borders on it. The fun part of this class is fabric selection and placement. An assortment of fat quarters or scraps are used. The fish are whimsical so textures, pattern, large scale and small flowers. No large pieces of fabric are needed. Look thru your scrap Basket!

SUPPLY LIST:

1 yard of Reynolds Freezer Wrap Paper.

White Glue- small bottle

Sharp needle nose scissors,

Cutting board large size, flat pins.

black marking Pen - for drawing your pattern, narrow tip
paper scissors.

Fabric - Assortment of fat quarters/or scraps. The fish are whimsical so textures, pattern, large and small flowers. No large pieces are needed for fish or butterfly.

Background pieces will be necessary later or bring a few. Look thru your scrap Basket! Your back ground Fabrics will be left for after you complete the fish or butterfly itself.

The fish can be embellished with beads, fancy stitches from you machine or by hand.
